On May 3 and 4 2012 **Trafalgar School for Girls** held a book sale in support of the <u>Digital Literacy Project of the Atwater Library</u> <u>and Computer Centre</u>].

Last year we worked with **Trafalgar School for Girls** on two <u>Gender and Mass Media</u>] workshops and we're looking forward to more collaboration.

The Digital Literacy Project would like to thank the team at Trafalgar School For Girls for their support!
