

W.O.R.D. Montreal and Say it Loud! Say it Proud!

Check out this awesome project done by youth involved in W.O.R.D. (Writing Our Rhymes Down) and Say it Loud! Say it Proud! They produced a music video inspired by research on the borough of Little Burgundy. These youth are amazing, intelligent and talented! This is how youth can learn digital literacy while speaking about their community and their experiences! Way to go Say it Loud! Say it Proud! and W.O.R.D!
