

Introduction to Photo-Voice with the Yellow Ribbon Social Club

In May and June, members of the Yellow Door's Yellow Ribbon Social Club participated in a photo-voice workshop designed for seniors interested in learning new technologies to share stories with other generations. Over five two-hour sessions, participants learned how to develop scripts, scan and locate images, and create and edit short videos using Windows Live Movie Maker. Check out some of their wonderful stories below, by clicking "read more"!
